

CLIMATE WORKS

Pre-apprenticeship Program

Chart a path to a clean energy career in construction & the building trades!

Why participate?

The Climate Works **FREE** Pre-apprenticeship Program will prepare you for a well-paying clean energy career in construction and the building trades. Upon completion, you'll be prepared for an apprenticeship in the trades!

Who can participate?

- Must be 16 or older
- Must live in an eligible community, or be formerly incarcerated, or be a current or former member of the foster care system.
- Must have a high school diploma or GED/HiSET or be in a program where you are working towards one.
- Must have an interest in construction and the building trades.

What does the program include?

Hands-on instruction in construction basics

Industry-recognized certifications

Wrap-around and student support services

Participant stipends
