

# Electric Vehicle Program

*Transition into an Electrical Trade!*

Are you curious about Electric Vehicles? Enroll in HIRE360's Electric Vehicle program today! This 9-week pre-apprenticeship training program will introduce you to the Electric Vehicle and Green Energy industries. This program will also help transition you into Building Trades Apprenticeships such as IBEW Local 134 and 701 or other employer opportunities.

## **Additional Project Offerings Include:**

- MC3 Certificate
- Test Prep Readiness for Aptitude test and the CAST Exam
- CPR and OSHA certification
- Career Planning
- Site-tours
- Network opportunities
- Stipend upon program completion

To apply for the program, you must be an Illinois resident who is 18 or older, authorized to work in the US, have a valid driver's license, be able to pass a drug test, possess a GED or high school diploma with a C or better in high school Algebra or higher and have a genuine desire to seek a construction job.

*Apply today! Class begins  
April 22, 2025!*
