

HIRE360 & Constellation's Empowering Futures Program

Program Offerings: Get paid for a 4 day virtual evening program to be considered for a Mechanical Maintenance full time role at the nation's largest producer of carbon-free energy. Do you live in Illinois? Are you a qualified and experienced Journeyperson interested in joining or wanting to prepare for a new career opportunity with our Empowering Futures program? By participating in the HIRE360 and Constellation Empowering Futures program you will have the opportunity to earn valuable certifications that will assist with your career journey.

The 4-day program offers the following:

- MASS test prep classes
- Resume review
- Mock interview preparation
- Stipend upon program completion

To apply you must be an Illinois or PA resident who is 18 or older, authorized to work in the U.S., have a flexible schedule, a high school diploma or GED, a valid driver's license, and the ability to travel to various locations. An associate degree in a Technical Field (preferred) or six years in industrial mechanical maintenance experience is required (needed for prospective mechanical maintenance position).

If you are interested in learning more, please complete our assessment form [here](#) to receive more information. Join us for an info session which are ongoing through February 21, 2025.
